EXAMPLES OF CONDUCT THAT MAY NOT BE MOTIVATED BY DISCRIMINATORY INTENT BUT COULD HAVE A **DISCRIMINATORY EFFECT:**

- Prior to acceptance of an offer, asking for or offering buyer personal information or letters from the buyer, especially with photos. Those types of documents may inadvertently reveal, or be perceived as revealing, protected status information thereby increasing the risk of (i) actual or unconscious bias, and (ii) potential legal claims against sellers and others by prospective buyers whose offers were rejected.
- Refusing to rent (i) an upper-level unit to an elderly tenant out of concern for the tenant's ability to navigate stairs or (ii) a house with a pool to a person with young children out of concern for the children's safety.

 EXAMPLES OF UNLAWFUL OR IMPROPER CONDUCT BASED ON A PROTECTED CLASS OR CHARACTERISTIC:
- - Refusing to negotiate for a sale, rental or financing or otherwise make a housing opportunity unavailable; failing to present offers due to a person's protected status;
 - Refusing or failing to show, rent, sell or finance housing; "channeling" or "steering" a prospective buyer or tenant to or away from a particular area due to that person's protected status or because of the racial, religious or ethnic composition of the neighborhood;
 - "Blockbusting" or causing "panic selling" by inducing a listing, sale or rental based on the grounds of loss of value of property, increase in crime, or decline in school quality due to the entry or prospective entry of people in protected categories into the neighborhood;
 - Making any statement or advertisement that indicates any preference, limitation, or discrimination;
 - Inquiring about protected characteristics (such as asking tenant applicants if they are married, or prospective purchasers if they have children or are planning to start a family);

FHDA REVISED 12/24 (PAGE 1 OF 2)

- Using criminal history information before otherwise affirming eligibility, and without a legally sufficient justification;
- Failing to assess financial standards based on the portion of the income responsible by a tenant who receives government subsidies (such as basing an otherwise neutral rent to income ratio on the whole rent rather than just the part of rent that is the tenant's responsibility);
- Denying a home loan or homeowner's insurance;
- Offering inferior terms, conditions, privileges, facilities or services;
- Using different qualification criteria or procedures for sale or rental of housing such as income standards, application requirements, application fees, credit analyses, sale or rental approval procedures or other requirements;
- Harassing a person;
- Taking an adverse action based on protected characteristics;
- Refusing to permit a reasonable modification to the premises, as requested by a person with a disability (such as refusing to allow a tenant who uses a wheelchair to install, at their expense, a ramp over front or rear steps, or refusing to allow a tenant with a disability from installing, at their own expense, grab bars in a shower or bathtub);
- Refusing to make reasonable accommodation in policies, rules, practices, or services for a person with a disability (such as the following, if an actual or prospective tenant with a disability has a service animal or support animal):
 - Failing to allow that person to keep the service animal or emotional support animal in rental property,
 - Charging that person higher rent or increased security deposit, or
 - (iii) Failing to show rental or sale property to that person who is accompanied by the service animal or support animal, and;
- O. Retaliating for asserting rights under fair housing laws.

 10. EXAMPLES OF POSITIVE PRACTICES:

- Real estate licensees working with buyers or tenants should apply the same objective property selection criteria, such as location/ neighborhood, property features, and price range and other considerations, to all prospects.
- Real estate licensees should provide complete and objective information to all clients based on the client's selection criteria.
- Real estate licensees should provide the same professional courtesy in responding to inquiries, sharing of information and offers of assistance to all clients and prospects.
- Housing providers should not make any statement or advertisement that directly or indirectly implies preference, limitation, or discrimination regarding any protected characteristic (such as "no children" or "English-speakers only").
- Housing providers should use a selection process relying on objective information about a prospective buyer's offer or tenant's application and not seek any information that may disclose any protected characteristics (such as using a summary document, e.g. C.A.R. Form SUM-MO, to compare multiple offers on objective terms).

 - An owner of a single-family residence who resides at the property with one lodger may be exempt from FEHA for rental purposes, B.
 - PROVIDED no real estate licensee is involved in the rental;
 An owner of a single-family residence may be exempt from FHA for sale or rental purposes, PROVIDED (i) no real estate licensee is involved in the sale or rental and (ii) no discriminatory advertising is used, and (iii) the owner owns no more than three single-family residences. Other restrictions apply;
 - An owner of residential property with one to four units who resides at the property, may be exempt from FHA for rental purposes, PROVIDED no real estate licensee is involved in the rental; and
 - Both FHA and FEHA do not apply to roommate situations. See, Fair Housing Council v Roommate.com LLC, 666 F.3d 1216
 - Since both the 14th Amendment of the U.S. Constitution and the Civil Rights Act of 1866 prohibit discrimination based on race; the FHA and FEHA exemptions do not extend to discrimination based on race.

- A. ARBITRATION OF DISPUTES: All claims or disputes between Broker and Associate-Licensee, not resolved pursuant to paragraph 15, shall be submitted to binding arbitration in accordance with paragraphs 16A-F. Broker and Associate-Licensee, on behalf of him or herself and any assistants employed by Associate-Licensee, mutually agree to use confidential individual binding arbitration, instead of going to court, for any disputes or claims now in existence or that may exist in the future (i) that Associate-Licensee may have against Broker, his/her affiliates, and/or their current or former employees. Such claims would include, without limitation, any concerning the initiation of the work relationship, the pay or other compensation for the work performed, breach of contract, expenses, any claims by Broker or Associate-Licensee for violations of applicable law or regulations, the decision by Broker or Associate-Licensee to end the assignment, any claims for conversion and/or breach of fiduciary duty, as well as any claims that arise from or relate to Broker's classification of Associate-Licensee as an independent contractor rather than an employee. Such claims do not include disputes or claims which either Broker or Associate-Licensee may have against a Broker client, customer or other brokerages, or vice versa, including cross claims between Broker or Associate-Licensee in conjunction with such disputes. This Agreement to Arbitrate shall be governed by the Federal Arbitration Act, 9 U.S.C.§ 1 et seq.
 B. ARBITRATION RULES: Except for those claims resolved by paragraph 15, all other claims covered by
- B. ARBITRATION RULES: Except for those claims resolved by paragraph 15, all other claims covered by paragraph 16A shall be arbitrated pursuant to the then-current JAMS Expedited or Comprehensive Arbitration Rules and Procedures which are available at www.jamsadr.com (under the Rules/Clauses tab) or https://www.car. org/riskmanagement/CalArbRules. Notwithstanding any contrary provisions in those rules, however, Broker will pay all costs of the Arbitration that are in addition to or in excess of the amount that a party would need to pay if he/she filed a case in a court of law. Each party shall bear his or her own attorney fees and costs, except that the arbitrator may award a party attorney fees or costs if such an award is authorized by an applicable law or contract. Broker and Associate-Licensee agree that the arbitration will be conducted by a single arbitrator in the JAMS office (as applicable) closest to the county of the Broker's office with which the Associate-Licensee is or was associated (unless otherwise agreed).
- C. NOTICE AND TIMING; ÁPPLICABLE LAW; FINDINGS: The aggrieved party must file and give written notice of any claim to the other party no later than the expiration of the statute of limitations (deadline for filing) that the law prescribes for the claim. Otherwise, the claim shall be void and deemed waived. The Arbitrator shall apply the substantive law (and the law of remedies, if applicable) of the applicable state, or federal law, or both, as applicable to the claim(s) asserted including applicable California real estate law. In the event of a dispute, the arbitrator shall decide which substantive laws shall apply. The Arbitrator is authorized to award any remedy allowed by applicable law. The Arbitrator shall issue a written and signed statement of the basis of his or her decision, including findings of fact and conclusions of law.
- D. CLASS ACTION WAIVER: (i) Broker and Associate-Licensee agree that any and all claims pursued against each other will be on an individual basis, and not on behalf of or as a part of any purported class, collective, representative, or consolidated action. Both Broker and Associate-Licensee hereby waive their right to commence, become a party to or remain a participant in any group, representative, class collective or hybrid class/collective or group action in any court, arbitration proceeding, or any other forum, against the other. The parties agree that any claim by or against Broker or Associate-Licensee shall be heard in arbitration without joinder of parties or consolidation of such claim with any other person or entity's claim, except as otherwise agreed to in writing by Broker and Associate-Licensee. This Class Action waiver shall supersede any contrary agreements, statements or rules in the JAMS Rules. (ii) The waiver of Class Action claims and proceedings is an essential and material term of this arbitration agreement in this paragraph 16, and the parties agree that if it is determined that the waiver in this paragraph 16D is prohibited or invalid in its entirety in a case in which a class action, representative action or similar allegations have been made, then the remainder of paragraph 16 shall also be void. If, however, some, but not all, of the waivers are found to be unenforceable for any reason in a case in which class action, representative action or similar allegations have been made, the Associate-Licensee's individual claims shall be decided in arbitration. Any class action, representative action or similar action as to which the class action waiver in this paragraph 16D is found to be unenforceable shall be decided in court and not in arbitration.
- E. CONFIDENTIALITY: Broker and Associate-Licensee agree that all proceedings before the arbitrator will remain confidential between the parties, including but not limited to any depositions, discovery, pleadings, exhibits, testimony, or award. The confidentiality will not apply to any court proceeding in which either party seeks to confirm, correct, or vacate an arbitration award.
- F. ASSOCIATE-LICENSEE UNDERSTANDS AND AGREES TO ARBITRATION AND CLASS-ACTION WAIVER. Associate-Licensee represents and warrants that he/she understands the meaning and effect of the arbitration and waiver agreements in this paragraph 16 and has been provided a reasonable time and opportunity to consult with legal counsel regarding this agreement to arbitrate. Associate-Licensee hereby agrees to the provisions of these paragraphs 16A-F.

MULTIPLE LISTING SERVICE ADDENDUM

(C.A.R. Form MLSA, Revised 12/24)

The following	terms	and	conditions	are	hereby	incorporated	in a	and	made	a par	of th	e Residential	Listing	Agreement	, □	Other
														("Ag	reen	nent"),
dated		, on p	property k	nown	as											
in which													is re	eferred to a	s ("S	Seller")
and		4											_ is refe	erred to as	("Br	oker").

MULTIPLE LISTING SERVICE:

- A. WHAT IS AN MLS? The MLS is a database of properties for sale that is available and disseminated to and accessible by all other real estate agents who are participants or subscribers to the MLS. As set forth in paragraph 3, participants and subscribers conducting public marketing of a property listing must submit the property information to the MLS. Property information submitted to the MLS describes the price, terms and conditions under which the Seller's property is offered for sale, excepting offers of compensation. It is likely that a significant number of real estate practitioners in any given area are participants or subscribers to the MLS. The MLS may also be part of a reciprocal or data sharing agreement to which other multiple listing services belong. Real estate agents belonging to other multiple listing services that have reciprocal or data sharing agreements with the MLS also have access to the information submitted to the MLS. The MLS may further transmit listing information to internet sites that post property listings online.
- B. WHAT INFORMATION IS PROVIDED TO THE MLS BEFORE OR AFTER SALE: All terms of the transaction, including sales price and, if applicable, financing and concessions, (i) will be provided to the MLS in which the Property is listed for publication, dissemination and use by persons and entities on terms approved by the MLS, and (ii) may be provided to the MLS even if the Property was not listed with the MLS. Seller consents to Broker providing a copy of this listing agreement to the MLS if required by the MLS.
- C. WHAT IS BROKER'S MLS? Broker is a participant/subscriber to the Multiple Listing Service (MLS) specified in paragraph 2E(1) of the Agreement and possibly others. Broker shall inform Seller if the MLS specified in paragraph 2E(1) is not the primary MLS for the geographic area of the Property. When required by paragraph 3 or by the MLS, Property will be listed with the MLS(s) specified.

2. BENEFITS OF USING THE MLS; IMPACT OF OPTING OUT OF THE MLS

- A. EXPOSURE TO BUYERS THROUGH MLS: Listing property with an MLS exposes a seller's property to all real estate agents and brokers (and their potential buyer clients) who are participants or subscribers to the MLS or a reciprocating MLS. The MLS may further transmit the MLS database to internet sites that post property listings online.
- B. IMPACT OF OPTING OUT OF MLS: If Seller elects to exclude the Property from the MLS, Seller understands and acknowledges that: (i) Seller is authorizing limited exposure of the Property and NO marketing or advertising of the Property to the public will occur; (ii) real estate agents and brokers from other real estate offices, and their buyer clients, who have access to that MLS may not be aware that Seller's Property is offered for sale; (iii) Information about Seller's Property will not be transmitted from the MLS to various real estate internet sites that are used by the public to search for property listings; (iv) real estate agents, brokers and members of the public may be unaware of the terms and conditions under which Seller is marketing the Property; and (v) the scope of marketing will consist only of direct one-on-one promotion between the brokers and licensees affiliated with the listing brokerage and their respective clients.
- C. REDUCTION IN EXPOSURE: Any reduction in exposure of the Property may lower the number of offers and negatively impact the sales price.
- D. NOT LISTING PROPERTY IN A LOCAL MLS: If the Property is listed in an MLS which does not cover the geographic area where the Property is located then real estate agents and brokers working that territory, and buyers they represent looking for property in the neighborhood, may not be aware the Property is for sale.

3. PUBLIC MARKETING OF PROPERTY:

- A. CLEAR COOPERATION POLICY: Unless paragraph 3F is checked, MLS rules require that residential real property with one to four units and vacant lot listings be submitted to the MLS within 1 business day of any public marketing. This is because the MLSs have adopted the Clear Cooperation Policy of the National Association of REALTORS®. That policy seeks to maximize Seller profits by highlighting the importance of advertising listed properties in forums that are ultimately visible to the public.
- B. PUBLIC MARKETING WITHIN CLEAR COOPERATION: (i) Public marketing includes, but is not limited to, flyers displayed in windows, yard signs, digital marketing on public facing websites, brokerage website displays, digital communications marketing and email blasts, multi-brokerage listing sharing networks, marketing to closed or private listing clubs or groups, and applications available to the general public. (ii) Public marketing does not include an office exclusive listing where there is direct promotion of the listing between the brokers and licensees affiliated with the listing brokerage, and one-to-one promotion between these licensees and their clients.
- C. "COMING SOON" STATUS IMPACT ON MARKETING; Days on Market (DOM):
 - (1) Seller is advised to discuss with Broker the meaning of "Coming Soon" as that term applies to the MLS in which the Property will be listed, and how any Coming Soon status will impact when and how a listing will be viewable to the public via the MLS. Seller is further advised to discuss with Broker how any DOM calculations or similarly utilized tracking field works in the MLS in which the Property will be listed.
 - (2) Seller does (☐ does not) authorize Broker to market the Property per the Coming Soon status in Broker's MLS, if any.

	ISTRUCTS BROKE	

- (1) Seller instructs Broker to market the Property to the public at the beginning of the Listing Period;
- DR (2)

 Seller instructs Broker to begin marketing the Property to the public on _____ (date);
- OR (3) Seller instructs Broker NOT to market the Property to the public. (MLS may require its own form.) Seller understands that no public marketing will occur and the scope of marketing that will occur will consist only of direct one-on-one promotion between the brokers and licensees affiliated with the listing brokerage and their respective clients.
- E. Seller understands and agrees that should any public marketing of the property occur, the Property listing will be submitted to the MLS within 1 business day.
- F.

 CLEAR COOPERATION POLICY DOES NOT APPLY: The MLSs utilized by Broker do not have a Clear Cooperation Policy that applies to the Property. Paragraphs 3A-E do not apply to this listing. Broker shall disclose to Seller and obtain Seller's consent for any instruction to not market the Property on the MLS or to the public.
- 4. MLS DATA ON THE INTERNET: MLS rules allow MLS data to be made available by the MLS to additional internet sites unless Broker gives the MLS instructions to the contrary. Specific information that can be excluded from the internet as permitted by (or in accordance with) the MLS is as follows:
 - A. PROPERTY OR PROPERTY ADDRESS: Seller can instruct Broker to have the MLS not display the Property or the Property address on the internet (C.A.R. Form SELI). Seller understands that either of these opt outs would mean consumers searching for listings on the internet may not see the Property or Property's address in response to their search.
 - B. FEATURE OPT OUTS: Seller can instruct Broker to advise the MLS that Seller does not want visitors to MLS Participant or Subscriber Websites or Electronic Displays that display the Property listing to have the features below (C.A.R. Form SELI). Seller understands (i) that these opt outs apply only to Websites or Electronic Displays of MLS Participants and Subscribers who are real estate broker and agent members of the MLS; (ii) that other internet sites may or may not have the features set forth herein; and (iii) that neither Broker nor the MLS may have the ability to control or block such features on other internet sites.
 - (1) **COMMENTS AND REVIEWS:** The ability to write comments or reviews about the Property on those sites; or the ability to link to another site containing such comments or reviews if the link is in immediate conjunction with the Property display.
 - (2) AUTOMATED ESTIMATE OF VALUE: The ability to create an automated estimate of value or to link to another site containing such an estimate of value if the link is in immediate conjunction with the Property display.

C. SELLER ELECTION:

- Seller authorizes the MLS to make all listing information available to internet sites;
- OR (2)
 Seller elects to opt out of certain internet features as provided by C.A.R. Form SELI or the local equivalent form.

5. PHOTOGRAPHS:

A. Visitors entering or touring the Property may take photographs, and Broker does not have the ability to control or block the taking and use of Images. Seller can instruct Broker to publish information in the MLS is limited to those persons preparing appraisal or inspection reports. Seller acknowledges that unauthorized persons may take images who do not have access to or have not read any limiting instruction in the MLS or who take images regardless of any limiting instruction in the MLS.

B. SELLER INSTRUCTION:

- (1) Visitors are not restricted from taking pictures of the Property;
- OR (2) Seller instructs Broker to publish in the MLS that taking of Images is limited to those persons preparing appraisal or inspection reports.

The foregoing terms and conditions are hereby agreed to, and the undersigned acknowledge receipt of a copy of this Multiple Listing Service Addendum.
